## Information Reports Yr 5

### Daredevils and Show-offs by Jonathan

Daredevils risk their lives for a thrill. Some do it to prove that they can do it and others to become rich and famous.

Fearless Nadia (Mary Evans) was a very famous person. When she grew up she did circus and was a ballet dancer.

Evel Knievel was a Daredevil. He would jump over packs of mountain lions and rattlesnakes. He was well known because he jumped over 14 greyhound buses on a motorbike.

Houdini would put himself into traps and he would get out of them and would lock himself up with chains.

Dare devils are very crazy, sometimes they risk their life. These historical Dare Devils include Fearless Nadia, Evel Knievel and Houdini.

### Giants of the Sea

by Angus

- The flight deck of an aircraft carrier can be a dangerous place to work
- The Titanic is probably the most famous ocean liner ever built.
- The fastest sub marine is the is the Russian Alpha class submarine
- The Queen Mary made its maiden voyage to New York, USA in 1912
- Subs are not like any other ship because they are built to travel under water
- The ocean liners were used to carry mail and cargo between countries

## Drink Bottles

It is important that all students bring a drink bottle to school each day.

## AFL Football

The sporting schools AFL coaching has started this week and will be continuing each Tuesday for the next 3 weeks.

Students are encouraged to wear their sneakers on Tuesday.
