“Individuals can make a difference”

Term 4 Week 10  
17 December 2019

## Premier’s Sporting Challenge

Students were presented today with their PSC certificates for meeting the challenges for time being more active more often over a 10 week period. PSC is a NSW Department of Education program.

## Teacher Farewell

In 2020, I will not be returning to Lowesdale Public School as a classroom teacher. I have decided that I would like to explore some other opportunities outside of the teaching field.

I have really enjoyed my time here over the last two years and have seen some amazing achievements from students that I am really proud of. I am glad to have met and taught each student and work as part of a great team of staff, who each have given me some wonderful memories.

I will be staying in the local area so if you see me about, please come up and say hello.

Glen

## Home Reading

Congratulations to all of the students who have read so many books in 2019.

Reading is a wonderful activity to do in our spare time and is an essential life skill. So many of the students have commented on their enjoyment from their P&C books already.

## Farewell to 2019

Thank you to everyone for another positive year of learning at Lowesdale Public School.

Your continued support of our school is appreciated.

We wish everyone a very Merry Christmas and Happy New Year.

## Swim School Photos

We have been using this wonderful shade at the Howlong Pool during our lunch break.

Swim lessons and water safety have been tutored by Sharon Letchford, Sarah, Mrs Strachan and Mr Bobbin.

A reminder that students need to bring their drink bottles, rash tops and sunscreen each day.

Students will benefit from continued practise before the swimming carnival in February.
