“Individuals can make a difference”

Term 4 Week 10
8 December 2021

Swimming School

We begin Swim School at the Howlong Pool this Friday 10 December! Have you found your *swimmers, rash top, two towels, goggles* (if wanted) *and sunscreen ready for our swim school?* A jumper might be a good idea for this Friday too as it looks to be cooler weather!

Please sign the swimming permission note and return to school by Friday.

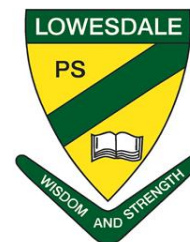

Congratulations Students & Staff

We have had positive feedback on our Presentation afternoon. The students are to be congratulated on the performance of their items. Congratulations to the award winners for 2021.

The staff and students would like to thank the Lowesdale Public School parents for their fantastic support throughout the year.

Sustainable Schools book launch

Tomorrow we will have Jennifer Cunningham from Petaurus returning to our school. The students will each receive a copy of the collaborative Dung Beetle book with Urana Public School and Oaklands Central School. There will be a light lunch and drink provided for the students.

Permission notes allowing your child/ren to be included in the published book were sent home last week. Please contact me if you require another copy of the notes (one per child).

What is it about Dung Beetles?

A question and answer report by the kids at Lowesdale, Urana and Oaklands schools

Edited by Corowa District Landcare, Dung Beetle Ecosystem Engineers and Petaurus Education Group

Year 5 Corowa High School Transition Day

Feedback from Oliver, Ollie and Logan about their visit to Corowa High School:

Logan – I went to the High School and I liked eating sausages, Mrs Kuschert showed us a shortcut so we were the first ones there so I got 2. I liked being able to go to the canteen and seeing Mr Bobbin.

Ollie – I liked going to the high school, being able to see my brother and getting a drink bottle in our pack at the end of the day.

Oliver – I thought the High School was fun and I liked getting a drink bottle and having sport. It was fun walking around the school and seeing people I know.

Hopefully you saw the photos of the boys having a wonderful time on our school Facebook page.
