“Individuals can make a difference”

Term 4 Week 9
30 November 2021

Congratulations Mrs Bruce

The merit selection process for the School Administration Manager (SAM) is now complete.

Thank you to Melissa Glare (Corowa Public School SAM and Bec Kos (Lowesdale P&C Representative) for joining Mrs Strachan on the merit selection panel.

WELCOME MRS BRUCE

An Interview
with Mrs Bruce

What do you like about Lowesdale Public School so far?

- I love how welcoming the students and staff have been to me since I arrived. I feel very blessed to have the opportunity to work in such beautiful surroundings and at such a fabulous school.

What are you looking forward to doing at Lowesdale?

- I am looking forward to promoting Lowesdale Public School and to meeting all the families of our school community.

What is your favourite thing to do outside of school?

- I live on a farm and I like taking my dogs for a walk to my favourite tree. I also love catching up with my family.

Year 5 CHS Transition Day

Next **Monday 6 Dec** is the Year 5 CHS Transition Day for Year 5 students to attend a day at high school. Mrs Strachan will be attending. Students are to go directly to Corowa High in the morning and Mrs Strachan will meet them there.

Swimming School

We begin Swim School at the Howlong Pool next Friday 10 December! Check that you have your gear ready. Have you found your **swimmers, rash top, two towels, goggles** (if wanted) **and sunscreen ready for our swim school?**

We will be travelling by bus to the Howlong Pool, leaving school at 11.30am. As the bus is needed by the bus company for an afternoon bus run, we will need to leave Howlong Pool at 2pm each day.

* We will now be swimming on the last day of school which is the 16th December.

Writing Week 8

Last week the students had free choice in their writing topic. We have some students writing informative texts and others imaginative stories. They have been very engaged during writing sessions. It has been so rewarding to see them applying so many of the techniques modelled during the year independently.

Beach to the Bush Zoom

On Monday we participated in a zoom with Surf Life Saving NSW. We learned about the safer places to swim at the beach.

The students found out about the treatment for bluebottle stings – remove carefully using pincher fingers and run under hot water.

Looking at several photos and videos, helped us to understand what a rip is and why they are so dangerous.

Year 6 Corowa High School Transition Week

Feedback from Harley and Eric about their week at Corowa High School has been.....

Eric –

Last week Harley and I went to high school for a week.

The first day we went we got a timetable. The timetable had the first three letters of the subject and the teacher's name on it. They also had what time you had to be there and what time the lesson ended.

My favourite subject was sport because I enjoyed playing volleyball.

Harley –

Last week Eric and I went to Corowa High School for a transition week because we are going to high school there.

It is a really big school but it is really easy to find your way around because you are given a map and a timetable with the classroom name on it. There are 3 blocks B.A.D. An easy way to remember the position of the blocks is, bad or dab backwards.

Also you can ask people where to go if you don't know where to go. They're really kind so they will help you. The teachers are really kind so if you don't understand anything just ask them what to do.

It is really good that every subject is mixed around so you don't do the same thing everyday.

I love high school and I hope that people in the future will too.

Both boys had a fabulous time at Corowa High School and are looking forward to starting there next year.
