Riverina PSSA Cross Country @ Gundagai

Congratulations to Edie and Lucia on their races at the PSSA Riverina Cross Country last Thursday. They raced in a slight drizzle, but this did not hamper their efforts. Edie placed 41st in her race and Lucia 16th.

Edie – The track was very muddy and there were lots of very good runners.

Lucia – The competition was fierce, and the track was very steep.

Thank you to their parents for transporting them to the Cross Country and for being their cheer squad.

Alpha Show ‘Sleeping Beauty’ – Oaklands

Lowesdale K-6 joined students from Corowa South, Jerilderie, Oaklands Central School, Berrigan and Urana Public Schools for the performance.

The Alpha Show ‘Sleeping Beauty’ at Oaklands Hall was a modern twist on the classic fairytale. After the show we went to the park and joined the students from Corowa South Public School. We ate our recess while the students lined up to get their recess that had been supplied by their P&C. They invited us to have some of the food too, which was very kind of them. We then enjoyed some time on the play equipment.

The students wrote a short comment about the show when they returned to school and our sausages were cooking for lunch.

Alpha Show Reflections

Today we went to the Alpha Show. It was ‘Sleeping Beauty’ performed at the Oaklands Hall. It was funny and my favourite scene was the kissing scene. We went to the park after with Corowa South. It was fun.

We went and watched the Alpha Show at Oaklands today that performed ‘Sleeping Beauty’. I saw a big knife for the first time and they used real swords, but they were blunt. My favourite character in the play was John and my favourite scene was the kiss. There were two characters named Veg and Mite and they were so funny. After the show we had lunch at the park with Corowa South which was good.

The Alpha show this year was a version of 'Sleeping Beauty'. The show was at Oaklands Hall, so we had to travel there to watch it. Because we got there earlier, we got a good place to sit. It was very funny! I like the part where Veg and Mite were holding John hostage, and Mite boops John on the nose. I enjoyed it alot!

By Edie

This week the school went to Oaklands for the Alpha Show. This year the Alpha Show was about 'Sleeping Beauty'. The show went for about 90 minutes. My favourite part was when Mite forced John to hug her. After the show we went to the park near the hall with Corowa South.

By Albie

Today we went to the Alpha Show. It had cool lights and scenery. They used real swords in their battles. The princess also had a dagger. There was smoke at the start and some in the middle. I enjoyed it. It went for 90 minutes but it only felt like 10 minutes. They did songs and dances and at the end they did a Q&A. If you were one of the first people to ask a question you got a wrist band. They were quite clever to remember their lines. They wore a lot of makeup. I definitely want to go next year! The best part was when the music was on and the sword battling.

By Lucia

Today I went to the Alpha Show and watched them perform 'Sleeping Beauty'. My favourite scene was sword fighting. Then once the show was finished, we went to the park with Corowa South. They kindly shared their recess with us which included KitKats, Roll Ups, Le snacks and Milo Bars. We also had fun at the park playing with the play equipment and running around in circles. Finally, we left in the car to go back to school.

By Jonathan

Today we went to the Alpha Show. It was funny and had cool lights. It was like the story 'Sleeping Beauty'. My favourite character was the witch 'Maleficent' who had cool makeup on and big horns. It was amazing and the car ride back to school was fun.

Lion's Club Public Speaking

The students in Years 3-6 have been given the topics for the Lion's Club Public Speaking Competition. All students are currently writing a short speech in class to present at school. As well as being part of the K-6 syllabus, this is good preparation for students prior to high school where they are expected to write and perform a speech in front of the class. The students have been writing their speeches in the Google Classroom, so they are able to add to their speech at home if they wish.
