"Individuals can make a difference"

Term 4 Week 5  
9th November 2022

## P & C Working Bee – hall cleaning tomorrow Thursday 9am

Thank you to members of the P&C who are meeting tomorrow to spring clean the Buraja Recreation Ground. All parents are welcome to assist. Contact Bec for more information.

## New school resources

These are some of the newly purchased resources bought for teaching and learning. We have new desktop computers, iPads and sporting equipment.

## Aurora Virtual Opportunity Class 2023

Congratulations to Edie who was successful in her application for the Aurora Virtual Opportunity Class in 2023. Edie will be participating in online extension activities next year in Year 5, while a student at Lowesdale Public School.

The Aurora College Opportunity Class (OC) is a provision that is accessible to students who may not otherwise be able to access a current OC provision.

Students will connect with teachers and classmates from around NSW through a virtual learning environment. Delivery of face-to-face synchronous lessons using Adobe Connect and a range of communication and collaboration platforms are used to support learning. Unlike other schools, our OC students remain at their current primary schools and engage in learning in collaboration with their home schools.

In Year 5 and 6 (Stage 3), students will study these subjects as part of the OC program.

- Mathematics
- Science and Technology
- STEM
