## Visit to Corowa South Public School – Anase Stories

On Tuesday 13<sup>th</sup> June 2023 students from Lowesdale Public School travelled to Corowa South Public School to participate in a Creative and Performing Arts performance by School Performance Tours.

Our students were introduced to a world of culture very different from the one they enjoy in Australia today.

Sam Derchie kept the students entertained with his stories about Ananse, a spider from the folklore of the Ashanti people of Ghana in West Africa. His stories were interspersed and punctuated with music, drumming, and songs.

The students also enjoyed a lunch provided by Corowa South Public School and some time on the drums before the performance was delivered.

A fabulous day was had by all our students....

## Planting our new Trees

Today our students got to help Mr Boyer plant some trees.

We now have an orange tree, mandarin tree, blueberry tree, and a fig tree in our garden.

Thank you, Variety Club Big Bashers.....
