Corowa Show - Sunday 13th October 24

Once again Lowesdale Public School entered the Corowa Show and thanks to all the efforts of Mrs Kerrie Kuschert, Courtney Kuschert and our fabulous P&C members we were able to set up an amazing display of our students' art works. Our student works received nine first place awards and 4 second place awards for various Art and Craft categories and 3 major awards, which were first place in "Best Painting in section – Junior", first place in "Most Successful Exhibitor Photography – Primary", and second place in the very prestigious overall award for "Junior Exhibitor in Main Pavilion".

The event was a triumphant moment for all our students and our school community.

Year 5 Experience Day at Corowa High School

Year 5 students Bethany and Charlotte joined with students from other feeder primary schools for a day to experience high school activities and routines at Corowa High School.

Both students enjoyed the experience and said that they had a fun time.

Student Wellbeing

Student wellbeing is an important part of school life and at Lowesdale Public School we are always looking for positive ways to enhance our students' experiences.

On the last day of term 3 students got to meet a neighbourhood friend who certainly put a smile on their faces. A big thankyou to Carol for organising the visit.

P&C Report

Invite • Welcome • Connect

Our first playgroup for term 4 was hosted at Lowesdale Public School on Friday 25th October.

It was lovely to see all the returning families and a good time was had by all who attended.

The playgroup will continue to run on a Friday and for further information please follow Lowesdale P&C Facebook page for dates, times and any changes.

Lots of beautiful gardens to explore and enjoy thanks to Kerry and Carol Kuschert's efforts. It is a fabulous space for our students, school community and visitors to enjoy....
