SCHOOL HOLIDAYS

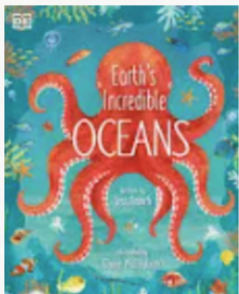

A Busy Term 2 at Lowesdale Public School

Term 2 has been an incredibly busy period for the staff, students, and the entire school community at Lowesdale Public School.

Over the past ten weeks, our students have engaged in a variety of extracurricular activities:

- Participated in the Small Schools Cross Country carnival, with five students qualifying for the Finley Zone Cross Country carnival and one student advancing to the Riverina Regional Cross Country carnival.
- Travelled to Corowa South Public School for the Healthy Harold experience.
- Visited Oaklands to enjoy the King Arthur Alpha Show.
- Welcomed author Adrian Beck for a special visit.
- Our P&C organized the "Biggest Morning Tea."
- The Sporting Schools Grant provided a teacher to deliver an Athletics Program.
- Made a visit to Karinya Residential Aged Care.

Thank you to everyone who contributed to making this term a success!

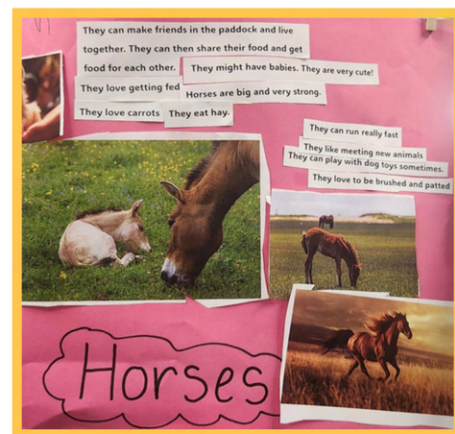

What's been happening in the classroom

This term, the students have been diligently working in their art lessons to create some amazing pieces.

Additionally, they have been engaged in learning about shapes, multiplication, addition, subtraction, and time as part of their Maths curriculum.

In Literacy, their non-fiction book studies have featured "Iceberg" and "The Earth's Incredible Oceans". They have been focusing on descriptive writing and have recently begun exploring the use of adjectives.

Karinya Residential Aged Care Visit

Recently, our students had the chance to visit the Karinya Residential Aged Care facility, where they interacted with the residents.

Throughout the visit, they performed a selection of songs and participated in various activities alongside the residents.

Everyone expressed that the experience was delightful for both the students and the residents.

Congratulations to our Regional Cross Country Representative

On Thursday, June 12th, Ned travelled to Gundagai to represent our school at the Riverina Regional Athletics Carnival.

The competition was fierce with Ned finishing 23 out of a field of 49 competitors.

A fantastic result Ned.

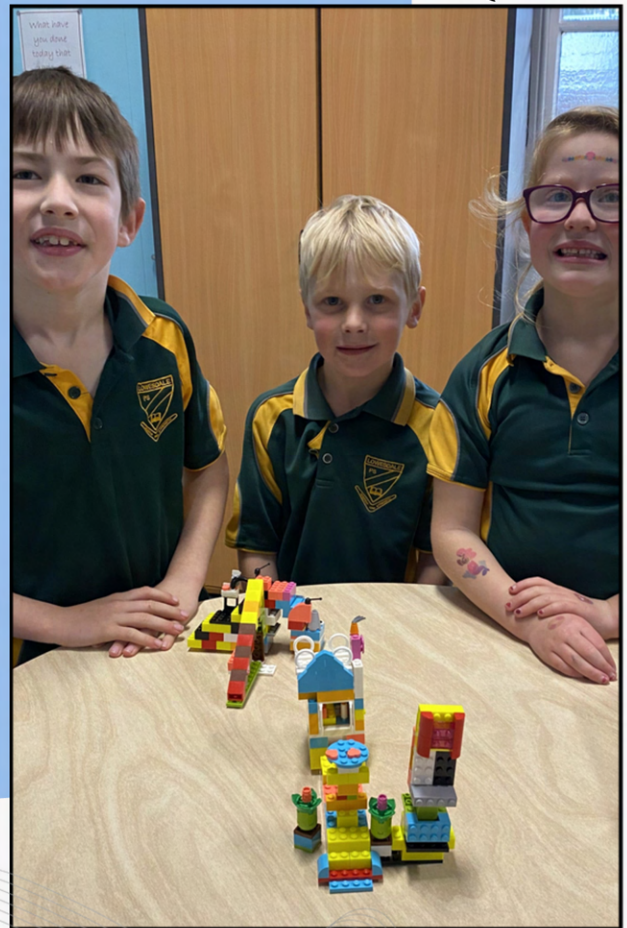

STEM

Collaboration and Teamwork

Over the past few weeks, our students have been collaborating in teams with their peers to create a LEGO city as part of their STEM project.

Sporting School's Grant - Athletics Training

Mrs. Kuschert's Athletics Program Update

Mrs. Kuschert has been conducting a teacher-led Athletics Program for the past three Tuesday afternoons at Morris Park in Corowa.

The program has primarily focused on teaching our students fundamental movement skills along with event-specific techniques.

During the final session, Mr. Liam Wood, a State High Jumper, joined us to showcase the techniques necessary for successfully mastering the High Jump event.

Our students are undoubtedly prepared to compete in the Small School's Athletics Carnival in Term 3.

P & C Report

A Heartfelt Thank You to Lowesdale Public School P&C Members

We extend our sincere gratitude to all the members of the Lowesdale Public School P&C who have contributed to the various events held this term.

It has indeed been a bustling period as we hosted "The Biggest Morning Tea," resumed our weekly playgroup on Friday mornings, provided daily breakfast for our students, and continued our efforts in maintaining both our vegetable patch and the new reading garden.

Our next P&C meeting will be on the
Tuesday 29th July 2025.
